

Addendum to an Application for Importing a Vehicle

IO2 – Non-Road Vehicles Option

Part 1: Vehicle Type

1.1 Please select the vehicle type.

- Pocket bike (proceed to part 1A)
- Motorised bicycle (proceed to part 1B)
- Motorised wheelchair (proceed to part 1C)
- Off-road motorcycle (proceed to part 1D)
- Off-road self-balancing personal transportation device (proceed to part 1E)
- Purpose built race car or bike (proceed to part 1F)
- Other (proceed to part 1G)

Part 1A: Pocket Bike

1.2 What is the seat height in millimetres (mm)?

1.3 Is the seat height greater than 600mm?

- Yes (proceed to part 1.4)
- No (proceed to part 1.5)

1.4 You have advised that the seat height is greater than 600mm; pocket bikes with seat heights greater than 600mm are normally considered to be road vehicles. Please provide an explanation as to why this vehicle is not a road vehicle. If you have entered an explanation and would like to continue, proceed to 1.5.

(Should you require more space, please attach a separate document to the form and label it 'part 1.4'.)

1.5 Please attach a copy of the manufacturer's brochure for the vehicle (an English translation should be provided as well if not in English). Please confirm that this is attached to your application.

- Yes (proceed to part 2)
- No

Part 1B: Motorised Bicycle

1.6 What is the maximum power output of the vehicle (in watts)?

Part 1: Vehicle Type (continued)

1.7 Is the maximum power 200 watts or less, between 241 watts and 250 watts or over 251 watts?	<input type="checkbox"/> 200 watts or less (proceed to part 1.11) <input type="checkbox"/> Between 201 watts and 250 watts (proceed to part 1.8) <input type="checkbox"/> Over 250 watts (proceed to part 1.10)
1.8 Is the power assisted pedal cycle certified under EN15194:2009 or including A1:2011?	<input type="checkbox"/> Yes (proceed to part 1.9) <input type="checkbox"/> No (proceed to part 1.10)
1.9 Please attach a copy of a manufacturer's brochure for the vehicle showing the maximum power output of the vehicle and conformity with EN15194:2009 or A1:2011 (an English translation should be provided as well if not in English). Confirm that this is attached to your application.	<input type="checkbox"/> Yes (proceed to part 1.11) <input type="checkbox"/> No (proceed to part 1.10)
1.10 You have advised that the power output of the vehicle exceeds the power criteria. Motorised bicycles with power outputs exceeding 250watts or exceeding 200watts and not certified to EN15194:2009 are normally considered to be mopeds (LA category vehicles) or motorcycles (LC category vehicles). Road vehicles can only be imported in accordance with one of the other import arrangements. If you are of the view that your vehicle is not a road vehicle, please provide an explanation. If you have provided an explanation and would like to continue proceed to part 1.11. <i>(Should you require more space, please attach a separate document to the form and label it 'part 1.10'.)</i>	<div style="border: 1px solid black; height: 200px;"></div>
1.11 Please attach a copy of a manufacturer's brochure for the vehicle showing the maximum power output of the vehicle (An English translation should be provided as well if not in English). Please confirm that this is attached to your application.	<input type="checkbox"/> Yes (proceed to part 2) <input type="checkbox"/> No
Part 1C: Motorised Wheelchair	
1.12 How many wheels does your vehicle have?	<input style="width: 100%; height: 20px;" type="text"/>
1.13 Does the vehicle have 2 wheels or less?	<input type="checkbox"/> Yes (proceed to part 1.14) <input type="checkbox"/> No (proceed to part 1.15)

Part 1: Vehicle Type (continued)

<p>1.14 The vehicle you have described does not fall into the category set out in the Motor Vehicle Standards (Road Vehicles) determination 2003. As such vehicles of this type are considered road vehicles and may only be imported under an import approval issued under one of the other import options. If you feel that your vehicle is not a road vehicle, please provide an explanation here. If you have provided an explanation and would like to continue, proceed to part 1.15.</p> <p><i>(Should you require more space, please attach a separate document to the form and label it 'part 1.14'.)</i></p>	<div style="border: 1px solid black; height: 150px;"></div>
<p>1.15 Is your vehicle self-propelled, or does it need to be operated by a person external to the vehicle?</p>	<p><input type="checkbox"/> Self-propelled</p> <p><input type="checkbox"/> Externally operated</p>
<p>1.16 How many people does your vehicle accommodate?</p>	<p><input type="checkbox"/> 1 (proceed to part 1.18)</p> <p><input type="checkbox"/> More than 1 (proceed to part 1.17)</p>
<p>1.17 The vehicle you have described does not fall into the category set out in the Motor Vehicle Standards (Road Vehicles) Determination 2003. As such, vehicles of this type are considered road vehicles and may only be imported under a vehicle import approval issued under one of the other import options, options or arrangements. If you believe that your vehicle is not a road vehicle, please provide an explanation here:</p> <p><i>(Should you require more space, please attach a separate document to the form and label it 'part 1.17'.)</i></p>	<div style="border: 1px solid black; height: 150px;"></div>
<p>1.18 What is the maximum speed that the vehicle can reach on level ground in km/hr?</p>	<p><input type="checkbox"/> 0–10 km per hour (proceed to part 1.20)</p> <p><input type="checkbox"/> Over 10km per hour (proceed to part 1.19)</p>
<p>1.19 The vehicle you have described does not fall into the category set out in the Motor Vehicle Standards (Road Vehicles) determination 2003. As such vehicles of this type are considered road vehicles and may only be imported under an import approval issued under one of the other import options. If you feel that your vehicle is not a road vehicle, please provide an explanation here. If you have provided an explanation and would like to continue proceed to part 1.20.</p> <p><i>(Should you require more space, please attach a separate document to the form and label it 'part 1.19'.)</i></p>	<div style="border: 1px solid black; height: 150px;"></div>
<p>1.20 What is the unladen mass in kilograms (kg) of your vehicle?</p>	<div style="border: 1px solid black; height: 20px;"></div>
<p>1.21 Please attach a copy of a manufacturer's brochure for your vehicle showing each of the features described above (an English translation should be provided as well if not in English). Please confirm that this has been attached to your application.</p>	<p><input type="checkbox"/> Yes</p> <p><input type="checkbox"/> No</p>

Part 1: Vehicle Type (continued)

Part 1D: Off-Road Motorcycle

1.22 Where is your motorcycle designed to be used?	<input type="checkbox"/> Public roads <input type="checkbox"/> Farms <input type="checkbox"/> Enduro tracks <input type="checkbox"/> Dirt jumps <input type="checkbox"/> Other - Please describe: <div style="border: 1px solid black; height: 30px; width: 100%;"></div>
1.23 Please attach a copy of a manufacturer's brochure for your motorcycle. Please confirm that this is attached to your application.	<input type="checkbox"/> Yes <input type="checkbox"/> No
1.24 Does your off-road motorcycle have any of the following on-road features:	<input type="checkbox"/> Direction indicators (proceed to part 1.25), <input type="checkbox"/> Registration plate holder/s (proceed to part 1.25) <input type="checkbox"/> Tyres not marked with "not for highway use" (proceed to part 1.25) <input type="checkbox"/> None (proceed to part 1.26)
1.25 The vehicle you have described does not fall into the category set out in the Motor Vehicle Standards (Road Vehicles) determination 2003. As such vehicles of this type are considered road vehicles and may only be imported under an import approval issued under one of the other import options. If you feel that your vehicle is not a road vehicle, please provide an explanation here. <i>(Should you require more space, please attach a separate document to this form and label it "part 1.25." If you provide an explanation, proceed to 1.26.)</i>	<div style="border: 1px solid black; height: 150px; width: 100%;"></div>
1.26 Please attach a photo of the vehicle in its current state. Please confirm that this is attached to your application.	<input type="checkbox"/> Yes <input type="checkbox"/> No

Part 1E: Off-Road Self-Balancing Personal Transportation Device

1.27 What types of surfaces is your off-road self-balancing personal transportational device designed for?	<input type="checkbox"/> Smooth paved surfaces <input type="checkbox"/> Unsealed surfaces <input type="checkbox"/> Golf courses <input type="checkbox"/> Dirt tracks
1.28 Please attach a copy of the manufacturer's brochure for your vehicle showing where it is designed to be used. Please confirm that this is attached to your application.	<input type="checkbox"/> Yes <input type="checkbox"/> No

Part 1: Vehicle Type (continued)

Part 1F: Purpose Built Race Car or Bike

1.29 Please attach a photograph of the Vehicle in its current state. Please confirm that this is attached to your application.

- Yes
 No

Part 1G: Other

1.30 Please describe your vehicle type:

1.31 Is the vehicle a motor vehicle? (A vehicle that uses, or is designed to use, volatile spirit, gas, oil, electricity or any other power (not being human or animal power) as the principal means of propulsion, but does not include a vehicle used on a railway or tramway.)

- Yes (proceed to part 1.32)
 No (proceed to part 1.34)

1.32 Is it designed to:

- Transport people (proceed to part 1.33)
 Transport animals (proceed to part 1.33)
 Transport goods (proceed to part 1.33)
 None of the above (proceed to part 1.35)

1.33 Is there any indication that the vehicle is designed to be used in areas other than public roads or road related areas (e.g. footpaths)?

- Yes (proceed to part 1.35)
 No (proceed to part 1.35)

1.34 Is the vehicle a road trailer? A trailer designed to be attached to a road motor vehicle?

- Yes (The vehicle you have described does not fall into the category set out in the Motor Vehicle Standards (Road Vehicles) determination 2003. As such Vehicles of this type are considered road vehicles and may only be imported under an import approval issued under one of the other import options.)
 No (proceed to part 1.35)

1.35 If there are any other reasons why you think your vehicle should be considered not a road vehicle, please provide them here:

(Should you require more space, please attach a separate document to the form and label it 'part 1.35'.)

Part 1: Vehicle Type (continued)

1.36 Please provide a copy of a Manufacturers brochure for the Vehicle. Please confirm that this is attached to your application.

- Yes
 No

1.37 Please attach a photograph of the Vehicle in its current state. Please confirm that this is attached to your application.

- Yes
 No

Part 2: Vehicle Details

2.1 What is the make of the vehicle?

2.2 What is the model of the vehicle?

2.3 What is the year of manufacture of the vehicle?

2.4 What is the month of manufacture of your vehicle, if known?

2.5 What is the current physical location of the vehicle(s)?

2.6 How many units of this make and model are you importing?

2.7 Please attach a copy of the purchase document for this vehicle(s). Please confirm that this is attached to your application.

- Yes
 No
